

HONOR™ SHOWCALF FINISHER B30

Product Benefits

- Feed for steers intended for the show ring.
- High energy feed for finishing steers.
- Textured
- Fat level to develop “show bloom”.

HONOR™ SHOWCALF FINISHER B30

Product Features:

- Textured feed containing a mixture of high-quality processed grains, cottonseed hulls and molasses
- 12.5% Protein, 72% TDN
- High energy feed
- 3.5% fat
- Formulated to provide a combination of both bypass and rumen degradable protein, using all-natural protein sources
- Highly fortified source of trace minerals, using both organic (from Zinpro™) and inorganic sources. Also formulated to provide elevated levels of vitamins for stressed cattle, specifically Vitamins A and E.
- Contains Diamond V’s “XP” yeast culture for improved feed palatability and digestibility
- Medicated with Bovatec™

Product Benefits:

- Reduces “off-feed” problems through increased palatability and helps maintain a healthy rumen.
- Promotes optimum development and growth in show steers.
- To ensure calf obtains proper finish and growth for steers from 700# to show weight.
- Develops “show bloom”.
- Combination protein sources (from vegetable and approved animal sources) help meet the requirements of both the animal and rumen microbes, and increases muscle deposition.
- Designed to support the immune system of show cattle facing disease challenges, keeping them healthy on the show circuit.
- Better palatability helps maintain consistent feed intake. Better feed digestibility helps make more nutrients available to the animal for absorption, performance, health and production.
- For improved feed efficiency in cattle.

HONOR™ SHOWCALF FINISHER B30

General Description: A textured feed designed for fitting show cattle.

HONOR™ SHOWCALF FINISHER B30

FOR ALL CLASSES OF SHOW CATTLE

Medicated

For improved feed efficiency in cattle fed in confinement.

ACTIVE DRUG INGREDIENT

Lasalocid (as Lasalocid Sodium)30 g/ton

GUARANTEED ANALYSIS

Crude Protein, Not less than	12.5%
Crude Fat, Not less than	3.5%
Crude Fiber, Not more than	12.0%
Calcium (Ca), Not less than	0.2%
Calcium (Ca), Not more than	0.7%
Phosphorus (P), Not less than	0.25%

Vitamin D, IU/lb, Not less than	1,750
Vitamin E, IU/lb, Not less than	8

FEEDING DIRECTIONS

HONOR™ SHOWCALF FINISHER B30 is designed to be full fed along with 3 to 5 lb. roughage. This feed is intended for cattle weighing more than 750 lb. If cattle have not been receiving a high-energy ration, **HONOR™ SHOWCALF FINISHER B30** should initially be fed at 5 to 7 lb. Along with adequate quantities of roughage. Gradually increase the amount of **HONOR™ SHOWCALF FINISHER B30** until cattle are on full feed. Always provide plentiful fresh, clean water.

Caution:

The safety of Lasalocid in unapproved species has not been established. Do not allow horses or other equines access to Lasalocid as ingestion may be fatal.

Warning:

A withdrawal period has not been established for this product in pre-ruminating cattle.

Do not use in calves to be processed for veal.

Do not feed to sheep due to high levels of supplemental copper.

FERMENTATION FORTIFIED WITH DIAMOND V XP™ YEAST CULTURE.
