

HONOR™ SHOWCALF GROWER B30

Product Benefits

- Specifically formulated for cattle and calves intended for the show ring.
- A moderate fiber, medium energy feed.
- Textured
- Fat level to develop “show bloom”.

HONOR™ SHOWCALF GROWER B30

Product Features:

- Textured feed containing a mixture of high-quality processed grains, cottonseed hulls and molasses
- 14% protein, 67% TDN
- 3% fat
- Formulated to provide a combination of both bypass and rumen degradable protein, using all-natural protein sources
- Highly fortified source of trace minerals, using both organic (from Zinpro™) and inorganic sources. Also formulated to provide elevated levels of vitamins for stressed cattle, specifically Vitamins A and E.
- Contains Diamond V's "XP" yeast culture for improved feed palatability and digestibility
- Medicated with Bovatec™

Product Benefits:

- Reduces “off-feed” problems and helps maintain a healthy rumen.
- Promotes optimal development and growth in show cattle
- Develops “show bloom”.
- Combination protein sources (from vegetable and approved animal sources) help meet the requirements of both the animal and rumen microbes, and increases muscle deposition.
- Designed to support the immune system of show cattle facing disease challenges, keeping them healthy on the show circuit.
- Better palatability helps maintain consistent feed intake. Better feed digestibility helps make more nutrients available to the animal for absorption, performance, health and production.
- For improved feed efficiency and increased rate of weight gain in cattle.

HONOR™ SHOWCALF GROWER B30

General Description: A textured feed designed for show heifers and steers.

HONOR™ SHOWCALF GROWER B30

FOR ALL CLASSES OF SHOW CATTLE

Medicated

For improved feed efficiency and increased rate of weight gain in cattle fed in confinement for slaughter.

ACTIVE DRUG INGREDIENT

Lasalocid (as Lasalocid Sodium)30 g/ton

Vitamin D, IU/lb, Not less than	2,500
Vitamin E, IU/lb, Not less than	12

FEEDING DIRECTIONS

HONOR™ SHOWCALF GROWER B30 is a complete feed and designed to be full fed. A small amount of additional good quality roughage is recommended. This feed is intended for cattle under 900 lb. Bodyweight, but may be fed to show cattle of any age or weight. If cattle have not been receiving a high-energy ration, offer a modest amount (5 to 7 lb.) of **HONOR™ SHOWCALF GROWER B30** along with free-choice hay. Gradually increase this amount until cattle are on full feed of **HONOR™ SHOWCALF GROWER B30**. Bunks should be managed to prevent accumulation of fines and/or moldy feed. Always provide plentiful fresh, clean water.

Caution:

The safety of Lasalocid in unapproved species has not been established. Do not allow horses or other equines access to Lasalocid as ingestion may be fatal.

Warning:

A withdrawal period has not been established for this product in pre-ruminating cattle. Do not use in calves to be processed for veal. Do not feed to sheep due to high levels of supplemental copper.

FERMENTATION FORTIFIED WITH DIAMOND V XP™ YEAST CULTURE
